We offer churches a professional, trusted and affordable graphic design service. By working with you we can help you choose which methods of communication work best for your church, enabling you to be seen by all parts of the community, including those hard to reach. Digitalised orders of service, AV screen backgrounds and website graphics are eco-friendly and easy to update. Printed posters and banners catch the eyes of a passer-by whilst a leaflet is easy to post, give away or place in a pocket.

"Rob is highly recommended!"
Rev. A. Sheard - Rector of
Warblington with Emsworth, Hants

Printed Products

We create designs that can be printed for many different formats and purposes.

Posters & Flyers

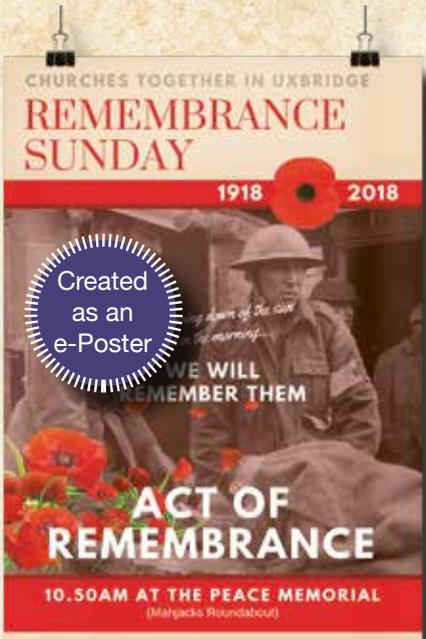

Our aim is to create designs that speak to the many and not just the few. Eye-catching and modern designs are more likely to be noticed. A bright and attractive poster will attract the passer-by and hopefully sow a seed of thought. You will never know the results unless you try something new.

Themed & Original Designs

"This looks brilliant Rob"
 Revd. Dr. J. Hughman - Associate Vicar
 - St. Margaret's Church Uxbridge

"You have most done us proud!"

Rob Shepherd
t/a Spires Church Publicity

Rob has been working professionally as a designer since he graduated from Art School in 1991. He is passionate about design and has a heart for church publicity as a tool for churches to use to help grow congregations and attract younger generations to the Christian faith. His professional design and development skills enable him to work thoughtfully, prayerfully and creatively. Churches can commission Rob to produce bespoke designs or select from his existing ideas and have them customised.

Rob works with churches of all denominations and traditions, offering them all the same attention to detail and providing them with exactly what they need and when they need it. He has held a variety of managerial posts so understands the importance of meeting deadlines and working within agreed budgets and timescales.

For 5+ years Rob has been designing publicity and marketing materials for the church he attends. This experience has taught him the value of working closely with the clergy and those in positions of responsibility.

Rob is keen to hear from you and discuss possible ways in which he can help you market your events and services in new ways.
